2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

To all who are weary and need rest, to all who mourn and long for comfort, to all who feel worthless and wonder if God cares, to all who fail and desire strength, to all who sin and need a Savior.

LOVING THE COMMUNITY

Meet in the Lobby | Lunch Provided

One of our priorities is *Sharing of Resources*. We share our possessions and property with each other, the community, and other ministries. We practice holistic generosity through work, hospitality, our time, and our wealth.

On May 7, we are partnering with Love INC, which has identified individuals and families in need of help with things like cleaning/organizing homes, yard work/outside clean-up, painting, car detailing, furniture moving, personal care drive, home repair, and more.

Sign up using the QR code. Let us know if you have a special skill so we can assign you accordingly. Youth are invited to help out as well!
