2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

Sermon Discussion Questions

Providence and Our Sanctification
Acts 25-26

- 1.Providence is often best viewed in retrospect. What are some ways that you have seen God at work in you and in your life through the circumstances he brought into your life?
- 2.Read Paul’s response to Agrippa in Acts 26:29. People don’t often respond in faith to the gospel the first time they hear it. What does it look like to be patient with people? When you think about the relationships you are in and the opportunities God is giving you, are you being patient while sharing the gospel with those around you?
- 3.In 26:19 Paul speaks of his ministry as one of "obedience." Although many of us most likely have not had a similar vision, are we under compulsion to obey God? What is the command he has given to us?
- 4.Every opportunity for Paul to make his defense is a an opportunity for Paul to share the gospel. What are some unexpected ways that God has given you opportunities to share the gospel? How can we become more consistently aware of opportunities God has given us to share the good news?
