Sermon Discussion Questions

THE FIRST CHURCH COUNCIL - ACTS 15:1-35

1. Read Acts 15:1-35
2. What are some theological disputes you have found yourself in? Were they important? Did they have practical implications? How were they resolved?
3. Paul and Barnabas drop what they are doing to travel down to Jerusalem to resolve a theological dispute. Why was it so important to them that they would drop everything and go?
4. Luke describes those who were causing the issues as "believers who belonged to the party of the Pharisees."
 - a. What does it mean that the "believers" were the source of false teaching? How do we get caught up in false teaching?
 - b. The background of these believers before they knew Christ (they were Pharisees) was influencing their doctrine. How might our backgrounds pull us into error after we become Christians?
5. Why was there opposition to Paul's ministry (Acts 15:1-2)? Why do you think this issue wasn't resolved in Acts 10:34-38 or 11:17-18 when Peter had a similar experience to Paul regarding Gentile ministry?
6. What is Peter's response? How might we learn from Peter's style of argument (experience/Scripture)?
7. What is James' response? How does he resolve the debate theologically (v12-21) and practically?
8. What does the solution teach us about what to do when Christians differ?
9. It took the early church 15-20 years after Christ to resolve a theological issue. What might that teach us about trying to resolve new theological debates?
10. After saying what Gentiles do not have to do, what is the purpose of requesting that Gentiles follow some moral standards? How would that make it easier for Christians to live in unity?
11. If Acts 15 happened today, what would be the ethical requests made to help Christians live in unity?

2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.
